

UNIT 5 THE INTERNET
LGS PRACTICE TEST

1. Şefika and her friends are talking about their Internet habits.

Şefika: Hey guys! How often do you use the Internet and what do you do online?

Onat: To be honest, I spend more than five hours online every day. I cannot live without my computer.

Buğlem: I use the Internet only for useful purposes like preparing my school projects and reading e-books.

Recep: I don't like spending too much time behind the screen. I prefer hanging out with my friends outside.

Sude: I mostly go online to check my e-mails and confirm my daily appointments. I know when to turn it off.

According to the conversation above, who is an Internet addict?

- A) Onat
B) Buğlem
C) Recep
D) Sude

2. You are trying to join an online chat group with your classmates to discuss school projects, but you cannot connect to the group. You call your friend, Gökalp, for help, but his voice is breaking up and you cannot understand his solution.

According to the information above, which of the following questions can you ask Gökalp to clarify his solution?

- A) Can you please repeat that? I can't hear you very well.
B) Would you like to share your password on your social network?
C) Why don't we download some music videos from the browser?
D) Do you have more than one e-mail address for your account?

3. Read the speech bubble and answer the question.

Yiğit: *Hi, I'm Yiğit. Am I an Internet addict? Well... I use the Internet for doing many things, but I'm not an addict. For example, I don't spend all my free time on the Internet as an addict does. I never surf the Internet for hours or meet new friends online. I use it for useful purposes like doing homework, listening to music, watching films or reading e-books. If you use the Internet in a positive way, it really makes your life easy. Otherwise, it can become your worst enemy.*

Which of the following questions does NOT have an answer in Yiğit's speech above?

- A) What kind of online activities does Yiğit prefer doing?
B) How many hours a day does Yiğit spend on the screen?
C) Why does Yiğit think he is not an Internet addict?
D) What can happen if you do not use the Internet positively?

4. Imagine you see the following registration screen on a website:

FORUM WORLD - REGISTRATION SCREEN

To sign up to our forum, please follow the steps below:

- * Choose a unique nickname for your account.
- * Enter a valid e-mail address to receive a link.
- * Choose a strong password with letters and numbers.
- * Click "Confirm" to complete your registration.

Which of the following is NOT mentioned on the registration screen above?

- A) What to write to register on the website
B) How to make your password very secure
C) Where to click to finish the sign-up steps
D) How much money to pay for the registration

5. Read the steps of leaving a comment on a forum website below.

- First,** register your personal information on the website.
Then, choose a creative nickname and a strong password to sign up.
Next, confirm your e-mail address to activate your new account.
After that, log in to the site and browse different topics.
Finally, write a comment under the post you want.

Which of the following descriptions does NOT match with any of the steps above?

- A) Clicking the "Confirm" link sent to your e-mail address
B) Typing your password and nickname on the login screen
C) Sharing the password of your account with other strangers
D) Registering your personal details on the sign-up screen

6. Read the speech bubble and answer the question.

Asya: *Hi, I'm Asya. I care about my online safety and want to protect my personal information. I always read Internet safety rules. To keep my accounts safe, I ---- because I do not want online traps to destroy my life.*

Which of the following does NOT complete Asya's speech above?

- A) create a strong password with letters and numbers
B) share my phone number on social networking sites
C) refuse to meet any strangers from online forums
D) avoid clicking on links from unknown senders

7. A reporter asks four teenagers about their opinions on social media.

Osman: Teenagers use social media to develop their social skills, feel less isolated and learn about world events. It is a great platform for them.

Murat: Spending too much time on social media is a big problem. Many teenagers meet strangers online and they get into online traps.

Dila: I mostly use social media to join group conversations, meet new people and fill my spare time when I am bored at home.

Erva: Social media is the easiest and cheapest way for teens to keep in touch with friends. However, some teens share their personal information on it, and this is very risky.

Which of the teenagers above says something both positive and negative about social media?

- A) Osman
C) Murat
- B) Dila
D) Erva

8. Read the text and answer the question.

Ray Tomlinson was an American computer engineer. In 1971, he invented e-mail because he wanted to send digital messages between different computers. He chose the "@" symbol on the keyboard to connect the username and the destination address. He sent the first e-mail to himself, but he could not remember the exact message because it was just a test. Thanks to his invention, sending e-mails is still very easy and popular today.

Which of the following questions does NOT have an answer in the text above?

- A) Who invented the first e-mail system in history?
B) Why did Ray Tomlinson choose the "@" symbol?
C) What was the exact text of the first e-mail?
D) What was the job of the inventor of e-mail?

9. Read the conversation and answer the question.

Mert: I mostly connect online to read e-books on my tablet and use safe search engines to find important information for my school projects.

Ali: I am fond of using social media. I spend hours behind the screen chatting live with my friends and uploading daily videos to my blog.

Milana: I am not an Internet addict because I only use the Internet to do my homework properly and read useful articles on educational websites.

Anfisa: I think online shopping makes our life very easy. I always search for my favorite clothes and books on different websites to buy them.

According to the conversation above, which two people have similar Internet preferences?

- A) Mert and Milana
C) Ali and Anfisa
- B) Mert and Ali
D) Milana and Anfisa

10. Three friends want to do an online activity together. Below are their wishes:

Beren: I don't want to play computer games this evening. I'd like to do something useful for my school classes.

Aybüke: I don't want to chat live with strangers. I prefer getting some scientific information about my homework.

Aynur: I don't want to watch music videos or surf on social media. I'd rather read some interesting articles online.

According to the wishes above, which of the following should the friends do together online?

- A) Chat live with friends on a social networking site
B) Use a search engine to read e-books and do research
C) Download the latest computer games from a website
D) Buy clothes and shoes from an online shopping website
